Welcome to our family farm here at Windy Acres! Wayne / Daryl and their 4 kids established this local business in 1985. We pride ourselves and find enjoyment in growing fresh and healthy foods for our community. We invite the public to experience a bit of our farmlife and pickup our local produce to go.

**ABOUT WINDY ACRES**

**CSA Boxes Available**

These are weekly produce boxes filled with a variety of delicious, fresh produce. It is a contract in which you pay a specific amount of money each week and the produce box is either delivered or you pick it up. The customer has the ability to choose what they want and don’t want included in the box. Once they fill out the list of their likes/dislikes, we give them a variety of produce that is in its prime and tasting best that week. These boxes are great for people who have busy schedules and it makes grocery shopping easy. The reviews we have gotten on these boxes are amazing and people love them! It’s grocery shopping without the hassle and the produce is 100% better than anything purchased in the stores. Produce boxes are started in May and go till second week of November, but its not too late to sign up today! You can sign up whenever!
